WORKFORCE SERVICES TEAMS WITH PROCUREMENT DEPARTMENT TO ASSIST COMPANIES WITH RECRUITING & TRAINING

FREDERICK, MD – As part of a nationwide One-Stop Career Center system, Frederick County Workforce Services (FCWS) has partnered with Frederick County's Procurement & Contracting Department to assist companies that win contracts with Frederick County Government with their recruitment, training and retention needs. FCWS finds qualified candidates for job openings at no cost to the employers.

Other free services and resources offered to companies by FCWS include:

- Recruiting qualified employees to meet staffing needs and to reduce the company's workload.
- Unlimited, online job postings at no cost using www.mwejobs.maryland.gov.
- Providing grant funding to assist with hiring and training new employees and upgrading skills of existing employees.
- Furnishing conference rooms for interviewing and applicant testing.
- Providing employee assessment and training customized to meet the company's needs.
- Providing valuable labor market information, including wage and hiring trends.

President Blaine Young of the Frederick Board of County Commissioners commented, "We are proud of the excellent record provided by Workforce Services and their 'business-friendly' motto of 'live here, work here, hire here.' They understand that an integral part of fulfilling a contract is having the right employees for the job. Workforce Services has been praised by local employers for their time and money saving successes. We highly recommend this excellent county service to our local employers and are pleased to offer this new partnership with our Procurement Department."
